XI3™ PERFORMANCE YARNS GO ABOVE AND BEYOND

Patrick Yarns proudly introduces XI3™, the newest innovation in performance yarns. XI3™ is a revolutionary engineered yarn incorporating the latest fiber and spinning technology. In recent field trials, XI3™ delivered superior performance, comfort and protection over widely recognized competitive para-aramid products. Put XI3™ to your challenge today.

XTREME PROTECTION

Up to 125% Better Cut Protection*.
Up to 450% Better Abrasion Resistance*.

XTREME COMFORT

Specially engineered to wick moisture, stay cooler and more comfortable.

XTREME DURABILITY

Delivers added protection and longer life with less fabric weight, better abrasion, easy laundering.

XTREME SAFETY

Added comfort and appearance assures consistent use and increased safety on the job.

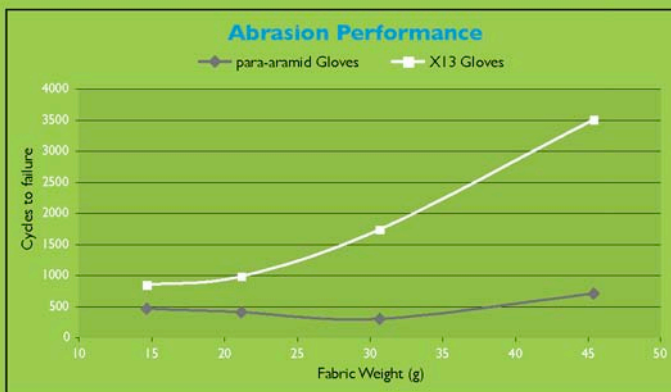

XTREME DIFFERENCE

Distinct appearance designed to stand apart from traditional spun protective products.

*compared to traditional spun para-aramid yarn products.

Cut Test Method Cut Protection Performance Test (ASTM 1970-97)

Abrasion Test Method Tabor X - NuMartindale (ASTM-D3389)

Patrick Yarns is proud to offer XI3™ performance yarns in a wide range of sizes and plies to meet your most Xtreme demands.
